PREFACE

Indian Books in Print 1984 in three volumes of Authors, Titles and Subjects is the most comprehensive and uptodate bibliography of Indian Books published in English language in India. It updates its earlier editions till the period ending December, 1983 through a regimentation of 240,000 entries reporting about 80,000 titles. Making a modest beginning in 1967 with its first edition covering the years 1952-67, the Indian Books in Print has run into six editions and this is the seventh one. In *Volume 1, the information has been arranged alphabetically by authors ; in Volume 2, the titles are arranged alphabetically ; in Volume 3, the subjects are arranged by Dewey Decimal Classification with feature headings ; a Directory of Indian Publishers concludes the last volume.* The IBIP data-base has also expanded manifold in terms of the amount of information. Continuous revision and dogged trapping of bibliographical information over two decades, has made it almost a complete and authentic bibliographical source for librarians, research scholars, booksellers and publishers providing access to the latest bibliographic and ordering information. The bibliographic entries have been revised, deleted, added and corrected, thereby, updating the information on current prices, availability of books and recently published books. It includes all type of books in English language covering all subjects and are available to the book trade and the readers at large. It excludes ephemeral pamphlets, periodicals, serials, calenders, maps, microforms, audio-visual materials and restricted publications to be available to the members of any organization.

While utmost care has been taken to ensure accuracy, the editor and publisher will not be responsible for any error that may have occurred inadvertantly. The Editor solicits suggestions from the users of IBIP for improvement of future editions to make this tool more efficient and use-oriented.

Thanks are due to all colleagues and friends whose assistance in multifarious forms have gone to the making of the present venture a reality.

HOW TO USE INDIAN BOOKS IN PRINT

The *Indian Books in Print* 1984 is in three volumes and lists approximately 80,000 titles available from 2,200 Indian publishers. Volume I is an author index, arranged alphabetically by authors. Honorific words with the author's name and initial articles, *i.e.*, 'a' 'an' and 'the' in the beginning of a title have been omitted. While rendering the name of personal or corporate authors, rules of Classified Catalogue Code have been followed. A few examples are given below :

Government : INDIA, EXTERNAL AFFAIRS (Ministry of—).

Institution : INDIAN COUNCIL OF SOCIAL SCIENCE RESEARCH (New Delhi).

Conference : CONFERENCE OF HEADS OF STATE OR GOVERNMENT OF NON-ALIGNED COUNTRIES (New Delhi) (1983).

In case ot joint authors the entry regarding the book will bear the name of both the authors.

Example : SAINI (Mohan Lal) and DATTA (Narinder).

If a book is by more than two authors, the name of the first mentioned author has been used and the word 'etc.' added thereafter.

An entry is made under title if there is no mention of either the author, or editor or compiler. The first two words are given in block letters.

The author index contains entries for each book under the name of personal author, joint author, corporate author, editor, joint editor, compiler, translator.
